Notice and Request for Comment – Adoption of New Brunswick Implementing Instrument 13-801 adopting National Instrument 13-101 – *System for Electronic Document Analysis and Retrieval (SEDAR)*

Introduction

On 21 November 2005 the New Brunswick Securities Commission (the “Commission”) approved publication for comment of Implementing Instrument 13-801 – *System for Electronic Document Analysis and Retrieval (SEDAR)* (“II 13-801”). Through II 13-801, the Commission would adopt National Instrument 13-101 – *System for Electronic Document Analysis and Retrieval (SEDAR)* (“NI 13-101”) consolidated to 1 June 2005.

The text of [II 13-801](#) is being published concurrently with this Notice.

The text of NI 13-101 can be obtained from the following website:

English: [NI 13-101](#)

French: [NI 13-101](#)

Background

NI 13-101, an initiative of the CSA, came into force on 1 January 1997. It has been amended numerous times since then, primarily arising from consequential amendments of other rules. The most recent amendment was from 1 June 2005 and arose out of consequential amendments to National Instrument 81-106 (“NI 81-106”), *Investment Fund Continuous Disclosure*.

The version of NI 13-101 to be published has been consolidated to 1 June 2005 with all in-force amendments including those arising from NI 81-106.

Substance and Purpose

The Instrument requires reporting issuers to transmit certain documents to securities regulatory authorities in electronic format using the System for Electronic Document Analysis and Retrieval known as SEDAR. It also sets out certain requirements for filing on SEDAR and addresses the payment of filing fees via electronic payment through the system.

SEDAR is obviously a key administrative system for the Canadian Securities Administrators (“CSA”) and, by extension, the Commission. Adoption of this rule formalizes the administrative practice that was properly transferred from the predecessor organization of the Commission.

Request for Comment

The Commission seeks comments on II 13-801 as it applies to the application of NI 13-101 in New Brunswick. Comments are not being sought on NI 13-101.
