National Instrument 45-106 *Prospectus Exemptions* and  
National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing  
Registrant Obligations***

May 21, 2015

The Canadian Securities Administrators (CSA or we) have implemented National Instrument 45-106 *Prospectus Exemptions* (NI 45-106) and National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing Registrant Exemptions* (NI 31-103) in order to consolidate and harmonize most of the prospectus and registration exemptions available under Canadian securities laws. However, there remain a limited number of local exemptions in each jurisdiction.

The CSA are replacing a prior notice issued in September 2005 and amended in November 2009 with this notice listing the prospectus and registration exemptions in each jurisdiction that are not included in NI 45-106 or NI 31-103.

These exemptions are listed in the Appendix by jurisdiction and apply only in that jurisdiction. Although we have attempted to consolidate a list of all remaining exemptions by local jurisdiction, we encourage persons relying on a local exemption to consult the securities legislation of the jurisdiction.

The list of exemptions in the Appendix is up-to-date as of May 21, 2015.
