

## Multilateral CSA Notice 45-319

### *Amendments to Start-up Crowdfunding Registration and Prospectus Exemptions*

June 30, 2016

#### Introduction

The securities regulatory authorities of British Columbia, Saskatchewan, Manitoba, Québec, New Brunswick and Nova Scotia, (the **participating jurisdictions**) adopted on May 14, 2015, substantially harmonized registration and prospectus exemptions (together, the **start-up crowdfunding exemptions**) that allow start-up and early stage companies to raise capital in these jurisdictions, subject to certain conditions. The participating jurisdictions implemented the start-up crowdfunding exemptions by way of local blanket orders (the **start-up crowdfunding exemption orders**). On January 25, 2016<sup>1</sup>, the participating jurisdictions (except British Columbia) amended the start-up crowdfunding exemption orders.

The participating jurisdictions are now making amendments to the start-up crowdfunding exemption orders and corresponding start-up forms<sup>2</sup> (collectively, the **Amendments**).

The Amendments will be effective in each participating jurisdiction concurrently with, or as soon as possible after, the publication of this notice.

#### Summary of the Amendments

In all participating jurisdictions (except British Columbia), issuers with exempt market filings are now required to electronically file their offering document and report of exempt distribution through SEDAR<sup>3</sup>. Issuers in British Columbia continue to file through BCSC eServices but are now required to file a new Form 45-106F1 *Report of Exempt Distribution*. To reflect these new filing requirements, amendments have been made to the applicable start-up forms and guides.

The Amendments also include changes of a housekeeping nature. The participating jurisdictions anticipate that the Amendments will provide greater clarification as to the expectations on funding portals and issuers relying on the start-up crowdfunding exemptions.
