Every effort is made to ensure the accuracy of this list. A reporting issuer that does not appear on this list or that has inappropriately been noted in default should contact the Financial and Consumer Services Commission (New Brunswick) promptly.

- (l) mandatory news release;
- (m) corporate governance disclosure as required by National Instrument 58-101 Disclosure of Corporate Governance Practices;
- (n) audit committee disclosure as required by Multilateral Instrument 52-110 Audit Committees or BC Instrument 52-509 Audit Committees; or
- (o) disclosure in an issuer's MD&A relating to disclosure controls and procedures and their effectiveness that is referred to in a certificate filed under MI 52-109.

2. The reporting issuer's continuous disclosure is deficient because:

- (a) the financial statements of the reporting issuer, or the auditor's report accompanying the financial statements, do not comply with the requirements of National Instrument 51-102 Continuous Disclosure Obligations (NI 51-102), National Instrument 81-106 Investment Fund Continuous Disclosure (NI 81-106) or National Instrument 52-107 Acceptable Accounting Principles, Auditing Standards and Reporting Currency;

- (c) the reporting issuer's AIF, MD&A, MRFP, information circular or business acquisition reports do not contain information for each of the content items required by NI 51-102 or NI 81-106; or
