

## Career Opportunity

FCNB is a leader in integrated financial and consumer services regulation. FCNB's mandate is to protect consumers and enhance public confidence in the financial and consumer marketplace through the provision of regulatory and educational services. With offices in both Fredericton and Saint John, it is responsible for the administration and enforcement of provincial legislation regulating mortgage brokers, payday lenders, real estate, securities, insurance, pensions, credit unions, trust and loan companies, co-operatives, and a wide range of consumer legislation. FCNB is an independent Crown corporation funded by the regulatory fees and assessments paid by its regulated sectors.

We offer opportunities for dedicated professionals to play a vital role in carrying out our mandate.

### Investigator (contract position)

We are seeking an experienced Investigator to fill a one-year contract position for our Enforcement Division who will have the following responsibilities:

- Analysis and research of intelligence and complaints received.
- Investigation of potential violations of various financial and consumer protection laws.
- Assisting legal counsel in the preparation of case files for administrative and court action.
- Providing testimony before a tribunal or in court.
- Liaising with other regulatory and law enforcement agencies with respect to the investigation of matters, as required.
- Remain informed of current market and industry trends and issues in financial and consumer services.
- Occasionally contribute to the development of local and national policies and legislation related to enforcement matters.
- Frequent travel to conduct investigations.

The successful applicant will:

- Be tech savvy and have a solid understanding of internet related technologies, including browser usage and configuration, as well as conducting internet-based investigations and research. Having experience with OSINT techniques is a definite asset.
- Possess a good knowledge of, and training in, interviewing and investigative techniques with a minimum of three years related experience.
- Have a good knowledge of accounting principles and be able to read, understand, and extract meaningful information from financial statements and records.
- Have proficiency in both official languages.
- Have demonstrated ability to write clear investigative reports.
- Possess excellent verbal, written and interpersonal skills.
- Knowledge of financial services industries and capital markets is an asset.
- Have excellent organizational skills.

- Work well in a team environment and independently with little supervision.
- Be inquisitive and analytical.

This position reports to the Director of Enforcement.
