Part 5 - Commission Procedure

5.1 Upon receipt of an application with the correct fee, a member of the Commission staff will be assigned to review the application and recommend disposition. The staff member may contact the applicant if further information or clarification is required. Where the additional information or clarification sought is not provided in a reasonable period of time, the Commission on its own motion or on the recommendation of the staff member may decide that the application should be treated as abandoned. The staff member may recommend that the Commission make a certain decision without a hearing. If such a recommendation is accepted, an order will be prepared and signed by two members of the Commission without a hearing. No application will be refused without the applicant being afforded the opportunity of a hearing.

- 5.2 Where the staff member recommends denial of an application or where the matter involves a material question affecting the public interest or raises a novel question of interpretation, the application will be set down for hearing before the Commission. The staff memorandum respecting the application will be sent to the applicant. The applicant will be given an opportunity to present the application and the staff member who dealt with the application may be present at the hearing.
- 5.3 The application and all relevant supporting material and the staff memorandum must be delivered to the Commission no later than eight days prior to the regular Commission meeting at which the application will be heard.
- 5.4 In those cases where a clear and compelling situation exists, requests may be made to the Secretary of the Commission or to the staff member dealing with the application to expedite the hearing. An additional fee will be required.
- 5.5 The Commission is generally reluctant to issue rulings which have retroactive effect. As an alternative, the Commission may in appropriate circumstances determine that no action will be taken with respect to a particular transaction for which an additional fee may be charged.
- 5.6 An application may be withdrawn at any time before the Commission has reached a decision on the matter without prejudice to the right of the applicant to re-apply. Decisions of the Commission, except rulings made under sections 55 and 80 of the Act, are subject to appeal to the Court of Appeal of New Brunswick with the prior leave of a judge of the Court of Appeal.
